NATURALLY-DERIVED PET GROOMING PRODUCTS

NO SULFATES, PARABENS, ALCOHOL, DEA OR MEA

Minimum order is 1200 units. Stock items can be combined to hit 1200, as long as 300 units of each stock item is ordered.

16 FL OZ NATURALLY-DERIVED ALL-IN-ONE PET WASH

This formulation is approximately 96% naturally derived. It is one of the most comprehensive pet wash formulas available. It will clean, condition, moisturize, deodorize and help detangle pet coats on all breeds. In addition, it contains aloe and oatmeal extracts to help soothe dry, itchy skin.

16 FL OZ NATURALLY-DERIVED WHITENING PET WASH

This all-in-one whitening pet wash is approximately 96% naturally derived. It has been formulated to remove dirt and debris from white coats and tails, without stripping natural oils. This formulation contains optical brighteners to help gently restore the luster and shine to white coats and tails. In addition, it is one of the most comprehensive pet wash formulas available. It will not only whiten, but will also clean, condition, moisturize, deodorize and help detangle pet coats on all breeds. It contains no alcohol, no harsh chemicals and no parabens.

16 FL OZ NATURALLY-DERIVED DE-MATting PET WASH

This de-matting pet wash is approximately 96% naturally-derived. It will clean, condition, moisturize, deodorize, and help detangle pet coats of all breeds. In addition, it contains aloe and oatmeal extracts to help soothe itchy, dry skin. It has been formulated to create a "slip effect" on fur, to help prevent matting and detangling, without leaving an oily residue on the coat.

16 FL OZ NATURALLY-DERIVED DE-SHEDDING PET WASH

This de-shedding pet wash is approximately 96% naturally-derived. It gently but powerfully exfoliates and cleanses the skin, while simultaneously cleans, conditions and moisturizes coats of all breeds. It has been formulated with vitamins, and botanical extracts, which help prevent shedding, and promote health skin and coat.

16 FL OZ NATURALLY-DERIVED HYPO-ALLERGENIC PET WASH

This hypo-allergenic pet wash is approximately 94% naturally-derived. It will clean, condition, moisturize, deodorize and help detangle pet coats on all breeds. It has been formulated to be non-irritating to the skin, and contains natural plant extracts to help soothe the skin.
